-and-

PACIFIC GAS & ELECTRIC COMPANY,

Debtors,

- ☐ Affects PG&E Corporation  
☐ Affects Pacific Gas and Electric Company  
☒ Affects both Debtors

*All papers shall be filed in the Lead Case,  
No. 19-30088 (DM)*

Case No.: 19-30088-DM

Chapter 11

**JOINDER OF THE CITY AND  
COUNTY OF SAN FRANCISCO TO  
THE STATEMENT OF VALLEY  
CLEAN ENERGY ALLIANCE  
REGARDING CASE RESOLUTION  
CONTINGENCY PROCESS**

DATE: April 7, 2020  
TIME: 10:00 am  
PLACE: Courtroom 17  
450 Golden Gate Avenue, 16<sup>th</sup> Fl.  
San Francisco, California  
JUDGE: Hon. Dennis Montali

RELATED DOCKET NOS: 6398, 6624\_\_

The City and County of San Francisco ("**San Francisco**") in the above-captioned chapter 11 cases of Pacific Gas and Electric Company (the "**Utility**") and PG&E Corporation ("**PG&E**" and, together with the Utility, the "**Debtors**"), hereby joins, as further described herein, in the Valley Clean Energy Alliance's Statement Regarding Case Resolution Contingency Process (the "**VCE**")

1 **Statement**") [Dkt No. 6624].

2 **JOINDER**

3 San Francisco is interested in the issues raised in the VCE Statement as a municipality that has  
4 expressed an interest in acquiring portions of PG&E's distribution system and wishes to continue with  
5 those discussions with PG&E, or any successor entity, under either a reorganization plan that is  
6 confirmed by this court or pursuant to the Case Resolution Contingency Plan, if it becomes necessary.

7 San Francisco specifically supports the VCE Statement in its support for the opportunity for  
8 local acquisition and control in connection with any Bidding Procedures and Sale Process that is  
9 adopted under the Case Resolution Contingency Plan. San Francisco shares VCE's concern that any  
10 procedure not discriminate against public acquisition. As previously detailed in filings in this Court as  
11 well as correspondence with PG&E, the sale of components of PG&E's distribution system, such as  
12 the portions that San Francisco has indicated an interest in acquiring, would result in several billion  
13 dollars in much needed capital being made available to PG&E that would both enhance the value of  
14 any overall sale and facilitate safe reliable operations in the future.

15  
16 **CONCLUSION**

17 For the reasons stated herein, San Francisco joins the VCE Statement.

18 Respectfully submitted,

19 Dated: April 4, 2020
